1. Text Structure Tuesday

- a. We watched the video “Why you Should Care About Whale Poo” found here: http://www.ted.com/talks/asha_de_vos_why_you_should_care_about_whale_poo#t-328199
- b. We determined that the text structure of the video is argumentative.
- c. Add to your notes:

Argument	Convince readers to agree with a position or to change behavior	Save the Whales, Why You Should Care About Whale Poo
----------	---	--

2. Finish Main Idea Monday work

- a. We read the article “Everyday Mysteries; Why songs get stuck in our heads.” It can be found here: <https://newsela.com/articles/lib-mysteries-earworm-music/id/26219/>
- b. We found the T (topic) and the O (observation) of each paragraph. We did this by finding the T/O of the title, first sentence, and last sentence. If needed, we found the T/O of sentences in between. Remember, the T is the who or what of the sentence. The O is what the topic is doing or being.

Homework:

Finish highlighting/writing the main idea of the article from Main Idea Monday Anchors
